I know it can be tough to trust people on the Internet, so I hope you'll take this chance to sign up for my FREE email course, knowing that I'm giving away a lot of great information that I could easily charge \$20-\$30+ for, just so I can gain your trust.

Wait! There's More...I Almost Forgot to Mention the Ridiculous Amount of Bonus Reports I'm Including With The "Anti-Wrinkle Handbook":

When I started writing the main book, the "Anti-Wrinkle Handbook", I thought that'd be it. BUT, after I received feedback from customers for months, I decided to add a couple extra reports to the package as bonuses. So, I grouped the questions together and found what was most important to everyone, did some more research, and started writing to provide the answers to these common questions. (That's what I LOVE to do!)

Before I knew it, I had written all of the following bonus reports to include as FREE bonuses:

BONUS #1: "Top Anti-Aging Skincare Products For Your Skin Type"

This report tackles the thing that's on everyone's mind: **"What skincare products are best for ME?"** I have done months of research & studying what works for each major skin type, and this report reveals my findings:

- *Best Anti-Wrinkle creams for YOUR skin*
- Top Facewashes, sunscreens, moisturizers & masks
- Daily skincare & *anti-aging checklist* for your skin type

You'll find the **best facewashes, moisturizers, exfoliators, masks & anti-wrinkle creams for YOUR skin type**, along with **step-by-step instructions** on how to use them to **boost your anti-aging results!**

VALUE: \$14.95

BONUS #2: "5 Organic Alternative Wrinkle Remedies"

This bonus guide outlines **5 of the best all-natural anti-aging herbs & supplements!** In it, I dive into each of the 5 organic wrinkle remedies, explaining why they work...**AND I reveal an anti-wrinkle cream that uses all 5 of them!**

VALUE: \$9.95

BONUS #2: Audio Version of "The Anti-Wrinkle Handbook" (MP3)

I realize you might be busy, and even though you can access this entire package on your computer whenever you want, it'd be nice to have the freedom to LISTEN to the book being read to you in the car, at the office, or while you're walking or exercising.

So, I hired a male and a female to read the eBook out loud, to make it more convenient & enjoyable for you!

VALUE: \$14.95

BONUS #3: "Homemade Herbal Cosmetics"

In this short book, my friend Caroline reveals 46 of her favorite home herbal cosmetics recipes! You'll get detailed, **step-by-step recipes, complete with all-natural ingredient lists**, for everything from bath & massage oils, to conditioners & moisturizers, to skin toners & astringents...all to help you look & feel beautiful (**without feeling guilty about putting fake, manufactured chemicals on your body every day**).

VALUE: \$9.95

BONUS #4: "Top 4 All-Natural Cellulite Remedies"

Cellulite is one of those things that makes you look old, no matter how old you really are. This package is about making you look & feel young, so I decided to add this report to the bonuses for free. In it, you'll find **the 4 best organic ingredients to defeat cellulite to look 8-10 years younger, and the anti-cellulite product that uses all of them!**

VALUE: \$4.95

BONUS #5: "FREE Future Product Updates, V.I.P. Tips & Discounts"

I am constantly adding more bonuses & improving the techniques I teach in this package. When you get access to the entire "Anti-Wrinkle Handbook" anti-aging package, you can also sign up for a FREE V.I.P. membership so you can get all of the updates to the product for free, plus I'll send you some cool tips & occasional deals on other great products!

VALUE: \$49.95

If getting all that, a **total value of over \$144.67**, isn't worth ~~\$99 \$77 \$67~~ **\$39.97** (less than the cost of the average anti-wrinkle cream that won't help you look any younger), then I don't know what is!

Take action now to get the young, flawless skin you deserve:

"I'm ready, Kyle! Give me access to the entire 'Anti-Wrinkle Handbook' anti-aging system for the **ridiculously-low one-time investment of only \$99 \$77 \$67 \$39.97**, while it's still at this amazing price!"

P.S. - "I have handed you the 'Golden Key' that will unlock the doors to a life free of wrinkles and the embarrassing stares they beckon. I know you're tired of looking -- and feeling -- years older than you really are. The Key is being passed to you on a silver platter...but only YOU can reach out and turn it for yourself!"

P.P.S. - "I believe it's more helpful to be realistic and up-front than to spout a bunch of false hopes, so I'll tell you like it is: your wrinkles aren't going to go away on their own. No matter how sincerely you hope, you're not going to wake up tomorrow, run to the mirror, and greet the silky, spotless face you saw everyday during your teenage years.

But if you take the step millions of sufferers lack the courage to take -- and that's what I call the "Action Moment" -- then that fantasy CAN and WILL become a reality! All it takes is you to [point your mouse here & give it a click!](#)"
